I'm glad to hear  
you're doing well.  
I really mean it.  
Love you  
Kathy

To a sweet girl in the  
Greatest class. Good luck  
in the future.

M. H.

Kathy,

It's strange - I feel  
as if I'm writing to  
me. I know I'm a  
weir-do. Well, I think  
we should have received  
1st prize for our float -  
Sophomore year. They just  
didn't want us to get it  
twice in a row. Remember  
all of the slumber parties.

(The one with Barb Harris'  
baby pajamas.) She let down  
her flap. It was all a blast.  
We'd have to go coonin since  
I missed last time.

Love ya,

Kathy

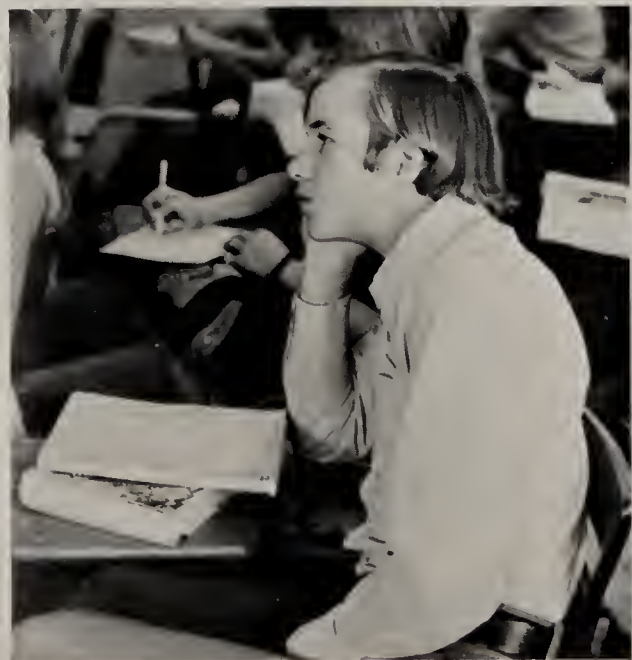

Kathy,

Remember all  
those talks we  
had in "dad's" room?  
it really helped me  
slot... Keep on  
listening to God  
King

Take care

Teresa

# SENIORS

# CLASS OF 1974

The Seniors started working early in the year to earn money towards their class trip. The annual magazine sales made a large amount of the money needed to finance their venture. Mary Sue Mohre sold over \$1000.00 worth of magazines setting a new school record.

The Senior Play attracted a large crowd and in the spring they went out on the road and sold candy.

The students helped to support the Seniors by buying sweatshirts. They sponsored a Chili Supper before one of the basketball games. Finally by scraping for those last few dollars the Seniors left by bus for a memorable trip to Washington D.C. and New York City.

## BOMBERS HAVE — SPIRIT, DESIRE, PRIDE, VICTORIES

The 1974 Homecoming festivities began early in the week. Each day was designated as something special to promote school spirit and many posters and paintings were hung around the school to get everyone in the mood for victory. The traditional Snake Dance was held Thursday night ending with a bonfire and spirit rousing speeches from our coach and the football team.

BOB

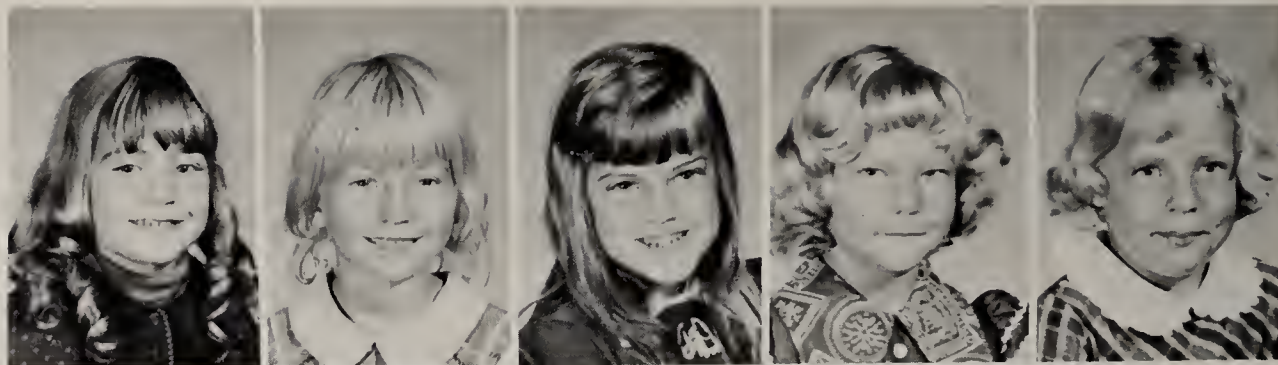

WHITNEY

NOVEMBER 26, 1973

Bob Whitney was in the seventh grade and in his first year at Edon. It was a short time for most of us to get to know Bob. He was a friendly boy, always smiling. Though we all miss him, let's thank God for the time we had to share with him.

Kathy,

What do <sup>I</sup>you say to someone who knows me almost better than I know myself. Remember when we hated each other in kindergarten. We had some bad times but I think the good ones outnumber them greatly. Just to remember them makes me feel good. You've always been there when I needed you & you're about the only one in the world I really and truly trust. I hope we never grew away from each other, in the years to come. I'll always love you and if you ever need anything or just someone to listen to you, I'll always be there. Stay sweet because you are & no matter what anyone tells you you can do anything if you try. Your number one to me. Always Love Ya.

Kathy (my love)  
Here the girl of my  
dream and I are in  
the sweetest thought  
of each other in a happy  
place. So if you don't find  
a room in your heart yet, we  
keep my love with us. We  
think you're sweetest but you  
don't need to hear it from  
me. I know you'll  
write it any time. I would just  
beastful the way you are  
so close to each other. And  
by the way when you're  
going to get checked out, I'll  
miss you and will  
always love you!
